

WORLD INVESTMENT FORUM · DOHA · 25–27 OCTOBER 2026

Media Accreditation Guide

Media accreditation for the 9th World Investment Forum (WIF 2026), taking place at the Sheraton Grand Doha Resort & Convention Hotel, Doha, Qatar, from 25 to 27 October 2026, is now open.

As WIF 2026 is a United Nations event hosted in Qatar, all media must obtain **two accreditations**: one from the **United Nations**, via the UN Indico Platform, and one from the **State of Qatar**, via the Hayya Media Portal (HMP). **Media who do not hold both will not be considered accredited and may not be able to attend the Forum.** We encourage all media to apply well in advance and prior to arriving in Qatar.

STEP 1 · UN ACCREDITATION

UN Indico Platform

Register and apply for WIF 2026 media accreditation.

Receive your Accreditation Registration Number by e-mail once approved by the WIF team.

Grants your UN media badge for access to the Forum venue.

STEP 2 · QATAR ACCREDITATION

Hayya Media Portal (HMP)

Apply for your Qatar entry permit, filming permit and customs clearance for hand carry equipment.

Use the Accreditation Registration Number from Step 1.

⚠ Both accreditations are mandatory to attend the World Investment Forum.

Already registered on the Hayya Media Portal?

An HMP registration alone is not a WIF accreditation. All media, including those already registered on HMP, must also complete **Step 1 (UN Indico)** to receive their UN media badge.

- **Existing HMP account from a past event:** complete Step 1 first, then log in to HMP with your existing username and password in Step 2 — no need to sign up again.
- **Qatar-based media (QID holders):** no entry permit is required. Register on Indico, then use your QID on HMP to obtain your filming permit and any equipment clearance.

Step 1 — Register on the UN Indico Platform

To apply for accreditation, media representatives must first register and apply through the UN Indico Platform:

1. Go to the WIF 2026 media accreditation page:
<https://indico.un.org/event/1021025/registrations/26580/>
2. Create a United Nations Indico profile.
3. Fill in the required information and submit the application.
4. Once authorised by the WIF team, an **Accreditation Registration Number** and instructions about the next steps will be sent to your registered e-mail address.

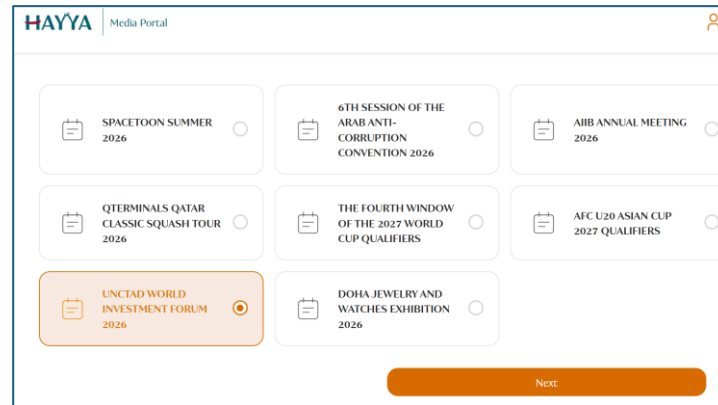

Step 2 — Apply on the Hayya Media Portal (HMP)

After receiving your Accreditation Registration Number, complete the process on the Hayya Media Portal:

1. Visit the Hayya Media Portal: <https://media.hayya.qa>
2. Click the 'Apply for Accreditation' link on the HMP homepage.

3. Sign up and create an account (if you have registered on HMP for a past event, use the same username and password).

4. Select the **UNCTAD World Investment Forum 2026** event tab and submit your application.

What you will need

- Login details for your existing HMP account, if applicable
- Your Accreditation Registration Number (from Step 1)
- Passport scan (JPEG, under 2 MB) for non-Qatari residents — must be valid for at least 3 months from the application date — or Qatar ID (QID) for Qatar residents
- Facial photo (JPEG, under 2 MB)

For full step-by-step instructions and documentation requirements, see the [HMP User Registration Manual](#).

HMP accreditation will facilitate entry permit to Qatar, general filming permit that allows media to film in public spaces, and customs clearance for bringing in hand carry filming equipment through Hamad International Airport and land border.

Hand-carry equipment

Equipment that can be declared for clearance includes: cameras, camera lenses & other accessories, microphones, tripods, lighting equipment, batteries, cables and wireless equipment.

Filming locations

The HMP filming permit covers open spaces in touristic areas, including: Katara Cultural Village, Aspire, Qatar Foundation, The Pearl, Msheireb Properties, Qatar Museums, Qatari Diar, Ministry of Municipality, Souqs and Old Doha Port.

Travel and accommodation

For accommodation, transport and other practical information, refer to the [Participant Guide](#).
