

# Republic of the Sudan

## Country Presentation

September 2014

# Key Investment Opportunities

**Priority sectors:**

- 1- Agricultural sector.**
- 2- Mining sector.**
- 3- Petroleum sector.**

# **(1) Agricultural sector**

- *Irrigated Agricultural schemes in the field of fruits and vegetables...etc.*
- *Water and Irrigation services, especially companies to drill for underground water sources*
- *Manufacturing pipes for well-casing and water connections*

## **Comparative advantages in the production of :-**

***1-Oil seeds:- cotton, sesame, sunflower***

***2- Sorghum – high yield varieties***

***3-maize:-South African and Egyptian high-yield strains are doing well***

***4-Rice:-upland rice grown in White and Blue Nile***

***5-Guar gum:- very profitable, high demand in Europe and Africa***

# Horticultural crops

- *Diverse climate allows different types of fruits:-*
- *Dates, Mango, Banana, Guava and Citruses.*
- *Vegetables:- tomato, potato, onions, carrots, okra, watermelon, cucumbers etc*
- *Most are produced during winter when the Northern Hemisphere is very cold so marketing is available*

# Investment Opportunities include

- *Slaughterhouses for exports*
- *Freezing services and transport*
- *Live animal transport*
- *Fisheries*
- *Poultry production*
- *Dairy production*
- *Veterinary services*

## **(2)Industrial Sector**

*Our strategy focuses on agro-industry to utilize abundant agricultural products:-*

- Sugar production*
- Fruits and vegetables canning*
- Planting and processing oilseeds*
- Maize for glucose and starch production*
- Gum Arabic, Cardboard and paper, timber production*
- Soft drinks from hibiscus, Aradeep, mango and citrus fruits*

- *Yeast production*
- *Meat products*
- *Fertilizers and pesticides*
- *Tanneries and leather products*
- *Pharmaceuticals*
- *Agricultural machinery and equipment assembly*

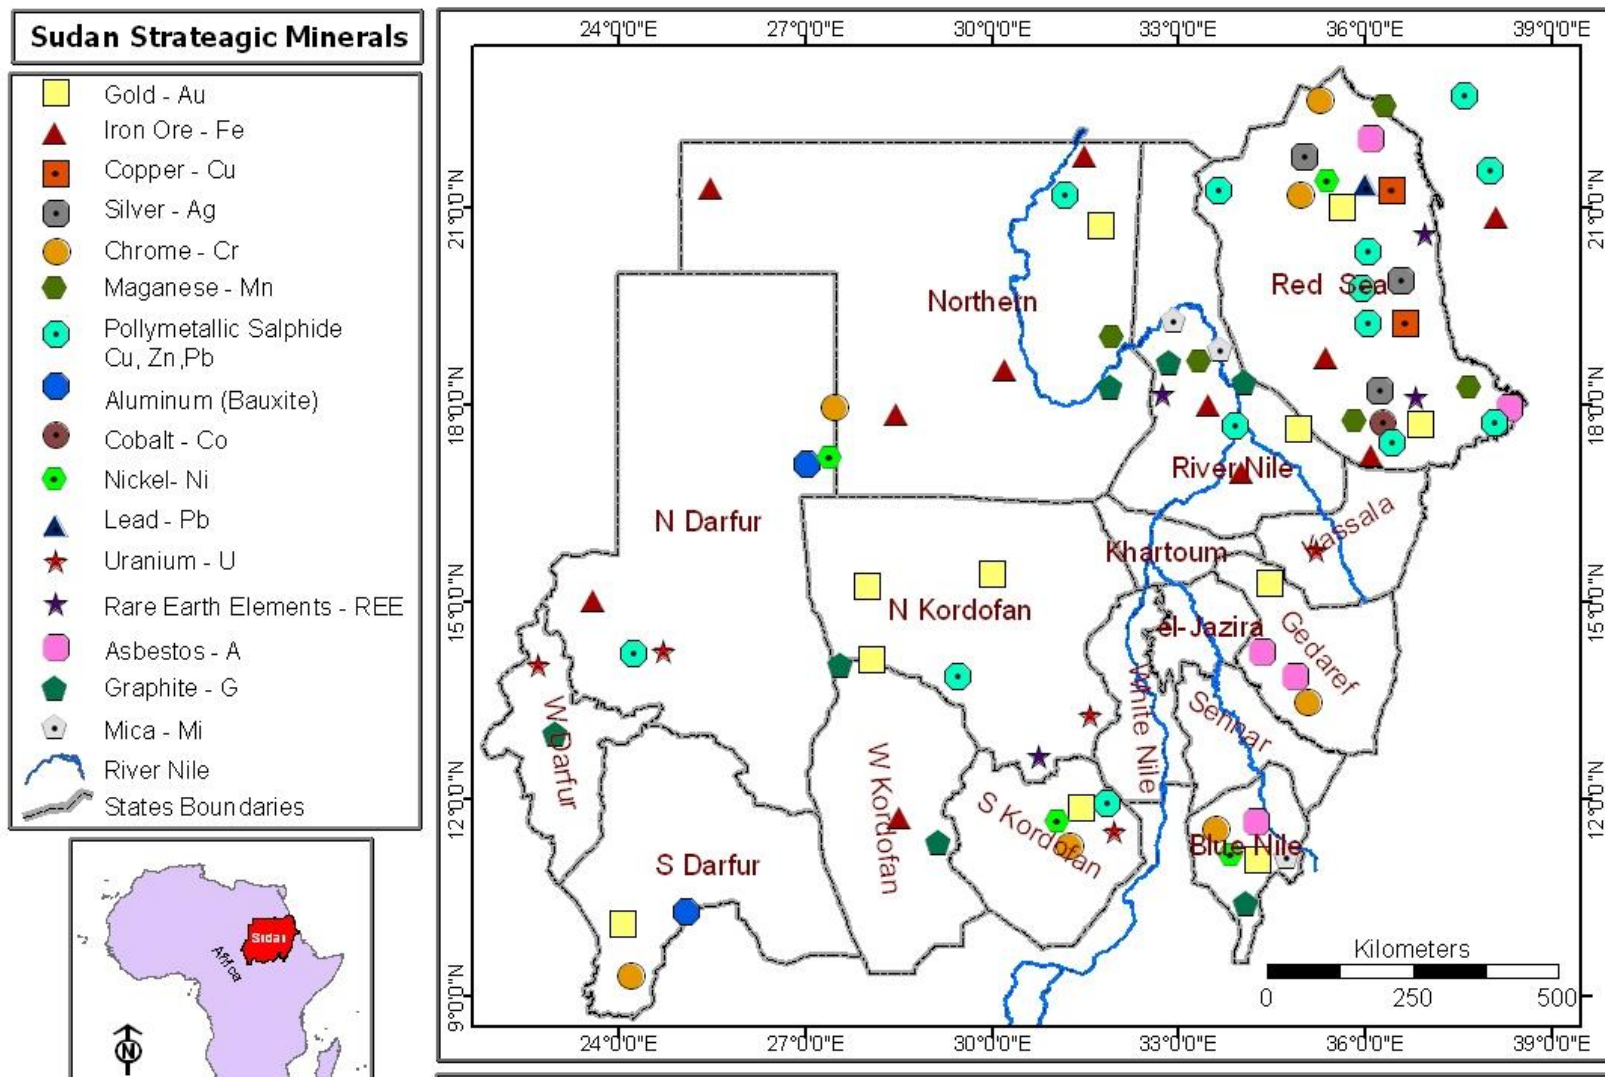

# B- Tourism

- *Coastal tourist villages for diving, water sports etc.*
- *Hotels*
- *Motor-boats and diving equipment*
- *Development of archeological sites*
- *Tourist transport*
- *Utilizing the Nile for tourism*

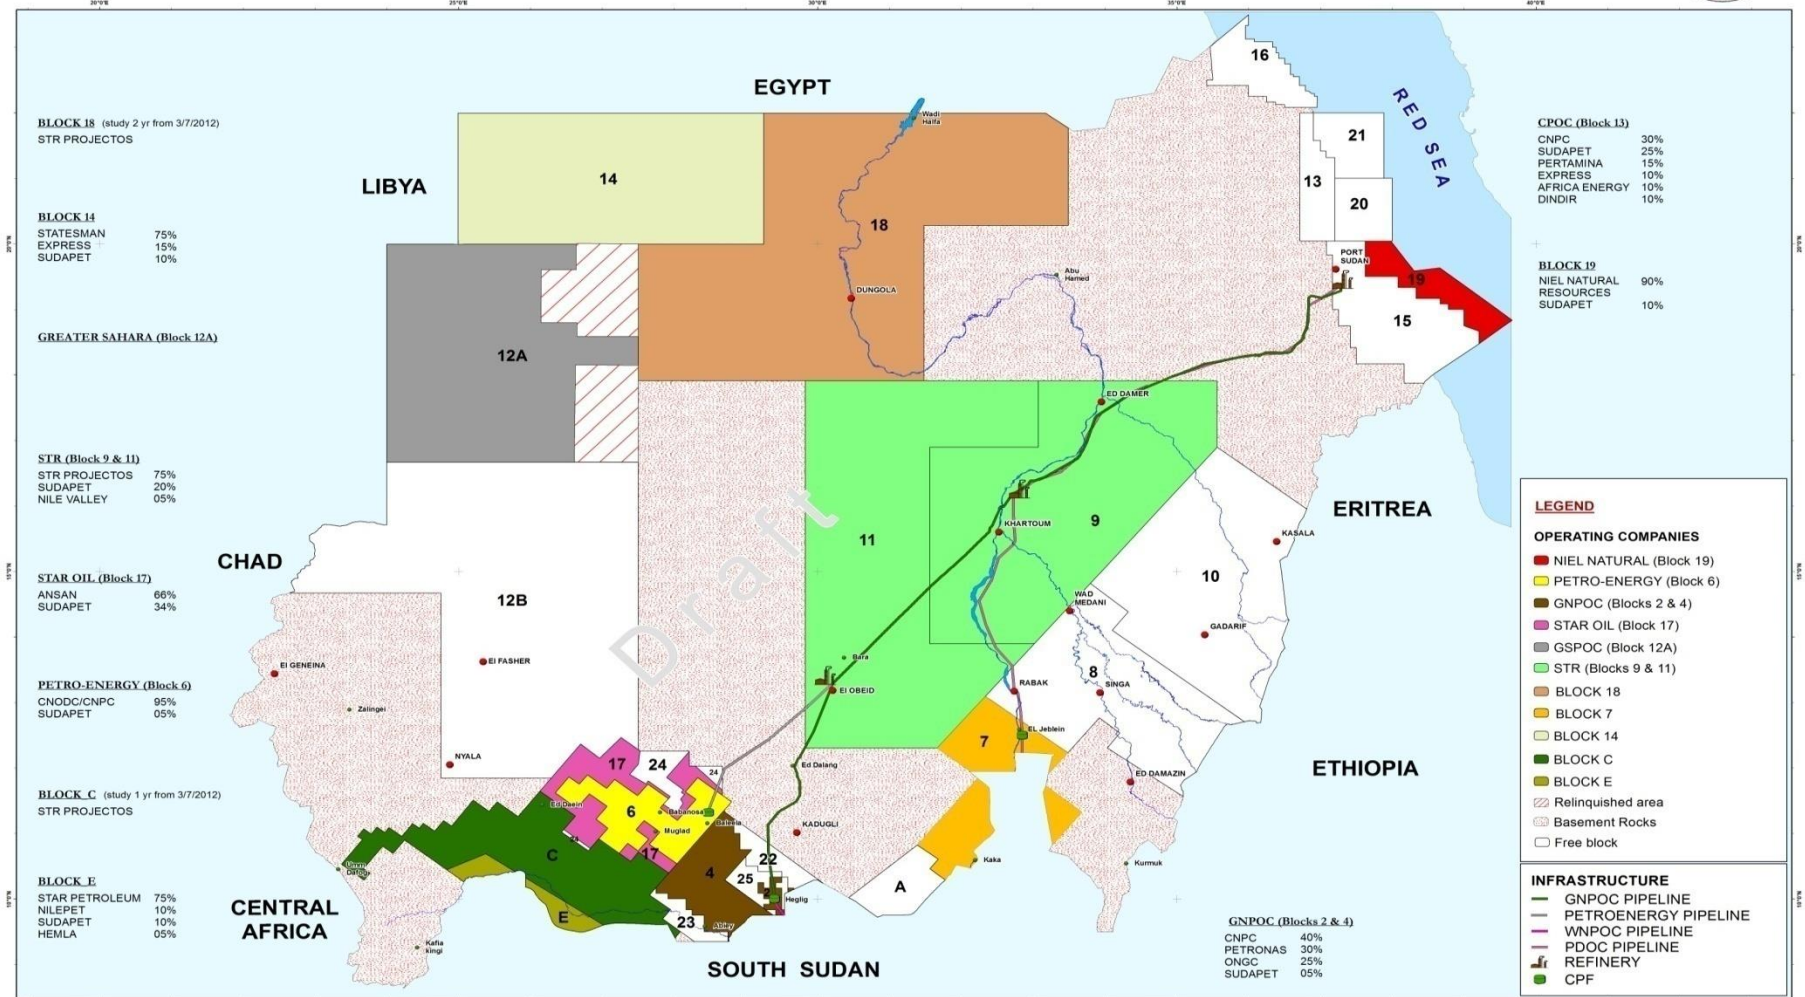

# Mining Opportunities:

# Petroleum Opportunities:

**MINISTRY OF PETROLEUM**  
SUDANESE PETROLEUM CORPORATION  
OIL EXPLORATION AND PRODUCTION GENERAL ADMINISTRATION (OEPA)  
**SUDAN HYDROCARBON E & P LICENSE BLOCKS**

THIS MAP IS FOR THE USE OF THE MINISTRY OF PETROLEUM AND OIL OPERATING COMPANIES ONLY.
