NOTIFICATION

World Investment Forum 2018

Investment village

Geneva, 22–26 October

In the context of UNCTAD World Investment Forum 2018, which will be held from 22 to 26 October at the Palais des Nations, Geneva, Switzerland, UNCTAD will offer member States the possibility to showcase their national investment opportunities in an investment village. The village, located in proximity to the main meeting rooms of the Forum, will feature public investment exhibitions, thereby ensuring visibility and interaction.

Due to logistical constraints, the number of stands at the village will be limited. They will be allocated to member States on a first-come-first-served basis. All questions concerning the investment village, as well as requests for a stand, should be addressed to Ms. Chantal Dupasquier, Division on Investment and Enterprise (tel.: 41 22 917 1512; email: chantal.dupasquier@unctad.org) by 30 April 2018. Requests should be accompanied by the contact details of the government entity and/or agency that will be in charge of the stand.
